AULAS DE CAVAQUINHO – DIAGRAMA PARA ACORDES

The image contains five identical empty trapezoidal grids arranged horizontally. Each grid is designed for drawing and consists of a top section with 3 rows and 3 columns, and a bottom section with 6 rows and 3 columns. A solid green horizontal bar runs across the top of each grid, just below the top section. Above each grid is a small, empty rectangular box, likely for labeling. The entire drawing area is enclosed in a thin black border.

The image contains five identical empty trapezoidal grids arranged horizontally. Each grid is composed of 8 rows and 3 columns of squares. The top row is highlighted in green. Above each grid is a small rectangular box for labeling. The grids are intended for drawing a 3D object from different perspectives.The image contains five identical empty trapezoidal grids arranged horizontally. Each grid is composed of 8 rows and 3 columns of squares. The top row is highlighted in green. Above each grid is a small rectangular box with rounded ends, and below it are two horizontal lines, providing space for a title or label.
